1. The following is an examiner's statement of reasons for allowance: The prior art taken alone or in combination neither discloses nor makes obvious a device comprising a semiconductor layer having a concentration of Al which increases from a central portion toward both surfaces of the semiconductor layer in the context of the recited device as opposed to a device comprising a layer containing no Aluminum bordered by layers having a graded Al content as shown by He et al, of record, for example.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry of a general nature or relating to the status of this application should be directed to the Group Receptionist whose telephone number is (703) 308-0956. See MPEP 203.08.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner George Fourson whose telephone number is (703) 308-2544. The examiner can normally be reached on Monday through Friday.
